LLL Parent and Caregiver Survey

You are invited to participate in a survey about your school's performance. Similar surveys will be administered to staff and students to enable us to capture a community snapshot.

All responses are confidential and will be used for school improvement purposes.

Completion of the survey is on a voluntary basis.

Your confidentiality

To protect your confidentiality all surveys are anonymous. All answers go directly to the National School Improvement Partnerships, where the results are analysed for your school. Answers from individual surveys will NOT be reported back to the school. National School Improvement Partnerships staff are bound by a Code of Ethics and follow strict professional conduct.

Use of the data

National School Improvement Partnerships will report the results to the school in an aggregated format so that individuals cannot be identified. To enable drill-down reporting, the information provided to the school will contain data based on background information. This anonymous data will be provided to CESA for reporting and consideration of support for schools.

How to complete the survey

- For each statement, you are asked to rate how well you think the school is performing by circling one of six responses. The responses are numbered 1 to 6, with number 1 being the lowest or worst rating and number 6 being the highest or best rating.
- There are no 'right' or 'wrong' answers. Your opinion is what is wanted.
- Please be sure to answer all questions.
- Some statements may be fairly similar to other statements. Don't worry about this. Simply give your opinion about all statements.

To get started, use the QR code above or go to www.NSIPartnerships.com.au and enter the access code provided by your school.
