Dear Principals,

Catholic School Parents SA (CSPSA) continues to present the Parent Engagement Program and welcomes all parents and carers of children in Catholic schools to attend.

It is a privilege to present an inspirational evening with Gill Hicks MBE AM. Gill Hicks is globally known as a survivor of the London terrorist bombings on July 7th, 2005.

She survived, but suffered severe and permanent injuries, losing both legs from just below the knee. Gill is a published author, musician, award winning artist and performer. Gill's appreciation and gratitude for life is present throughout all her creative works.

Her presentation Resilience – will be a raw conversation on her life experience, gratitude for life and how it relates to families. Attendees will leave the event feeling empowered, inspired, and grateful to continue to their parenting and education journey.

The event will be limited to 300 in person Catholic school family attendees. There will be online option with live streaming.
