Dear Rosary Community

Welcome to 2023! I am absolutely delighted to have welcomed 65 new students to our school community and 37 new families. The

excitement and joy of students returning to school, reconnecting with friends is infectious and I have had a fabulous first two weeks visiting classes each day and engaging with children in class and with parents before and after school.

As I have moved through classes I have seen children share with teachers their expectations for 2023. Teachers have invited students to answer questions like - "What do you need/expect from me as your teacher?" The children are also setting some expectations of each other, discussing "How can we work co-cooperatively in this class?"

Term 1 began with lots of excitement – basketball at Mars stadium commenced on Monday 30th January – our pupil free day and this week children in Years 3 and 4 have participated in the Department of Education Swimming program. School excursions and after school sports rely on parent volunteers and I encourage parents to register to be a recognised volunteer at Rosary School. Please speak to Margaret Moshos in the front office who will support you as you complete the Catholic Education volunteer requirements.

Last year over 120 children at Rosary School participated in an after school sport activity. I thank every coach and team manager for their commitment to provide opportunities for our students. It is important that children in primary school have the opportunity to explore physical activities and a variety of sports. We encourage all children to participate irrespective of ability and the role of volunteer coaches and team managers is to provide a safe environment for children to begin to engage in team sport competitions. Being a primary school volunteer coach requires the skill to leave behind the "need to win" and to focus on providing every child with an equal opportunity to have a go and learn in a safe and welcoming environment. Rosary School has a code of conduct for coaches, parents and spectators. As we begin 2023 after school sport, I invite all of the school community to familiarise themselves with our After School Sport - Code of Conduct.

A special note for Reception parents, your child/ren will soon be invited to join a Rosary School soccer team. Games commence in Term 2 at St Clair Oval on Woodville Road. We will need to nominate teams in Term 1. Late registrations are tricky to accommodate – with team placement and late registration fees. Keep an eye out for information about school soccer - it is a great way to spend a Saturday morning and make wonderful school connections!

Our redevelopment plans have been approved by the Council Assessment Panel. I thank all parents for their support and particularly want to acknowledge the parents who participated in this process by providing representations for the redevelopment. The Hall has been nominated for State Heritage. The Heritage SA Council will meet on 16th February. Following the outcome of this meeting we will then be able to share with the community our next steps.

Our School AGM and Strategic Planning evening will be held on Tuesday, 21st March, 2023 at 7.00 pm. All parents are welcome to attend. We are also inviting people to nominate for the School Board. The school board does not require a huge commitment. There are two meetings each school term. If you wish to nominate for the School Board please

email karin.skinner@rosary.catholic.edu.au Information about the role of the School Board can be found on Catholic Education South Australia's website: schoolboards.cesa.catholic.edu.au .

Please do not hesitate to speak with me if you require any additional information.

Regards

Susan

Sacrament of Reconciliation 2023

Families who would like daughters or sons to receive the Sacrament of Reconciliation, Confirmation or First Holy Communion this year will be able to find all of the relevant details now on Seesaw.

The Parent Information Evening will be held at Blackfriars School on Thursday February 23 at 6pm.

Please follow the guidance from Fr Paul on Seesaw regarding dates for the Sacrament of Reconciliation, First Holy Communion and Confirmation in 2023.

Shrove Tuesday

On Shrove Tuesday, we will be making and serving pancakes to all students from 8am until recess. If any parents are willing and able to assist in this community event on February 21, please email me on stephen.campion@rosary.catholic.edu.au

Families are advised that we would appreciate students making a gold coin donation to Caritas for Project Compassion when they receive a pancake.
