News from the Principal

Dear Rosary Community

As we come to the end of Term 2 we have lots to be thankful for. When I think about my primary education, I remember the excursions and fun learning experiences. This week there was plenty of fun learning for children across our school.

The Reception children celebrated 100 days of schooling. Their costumes were fantastic!

The children in Years 3 to 6 participated in the SACPSSA Netball Carnival. Rosary entered 20 teams across the two days. The weather was kind to us and there were plenty of smiles on the children's faces as they had a go at playing in different netball positions throughout the day. Thank you to Mr Brenton Campbell for his co-ordination and to our many parent volunteers. This is one event that couldn't happen without volunteer support.

The Year 5/6 children are continuing to rehearse for their Wakakirri performance. For some of our Year 6 children this may be their final dance performance as many of them will not choose dance as a curriculum option during their secondary education. The Year 5/6 teachers and Ms Kimberly Slattery are working hard to source costumes, make props and prepare the children with the support of Groundforce.

Tomorrow our Year 3 children will compete in the Rosary Robo Cup. I look forward to supporting the winners at the SA Robo Cup competition. Thanks to Kim and Simon Coad for their support with the Robo Cup programme.

Today we celebrated the end of Semester 1 and NAIDOC week with a whole school Mass. Lachlan introduced the mass by saying: NAIDOC refers to the National Aborigines and Islanders Day Observance Committee. The theme for NAIDOC Week 2023 is 'For Our Elders'. As a Catholic school, we commit to positive change for our First Nations people.

In today's Mass we are reminded about how Jesus welcomed all people ... It means that we welcome all people, that all people are equal in God's eyes. As the community of Rosary School, we pray together for God's continued love and guidance, that we can treat all people equally and show care to everybody.

Thank you to everyone for another great term at Rosary School. Enjoy the break from routine – I hope the break gives you an opportunity to slow down and enjoy a quieter pace for a couple of weeks.

Kind regards

Susan

News from the APRIM

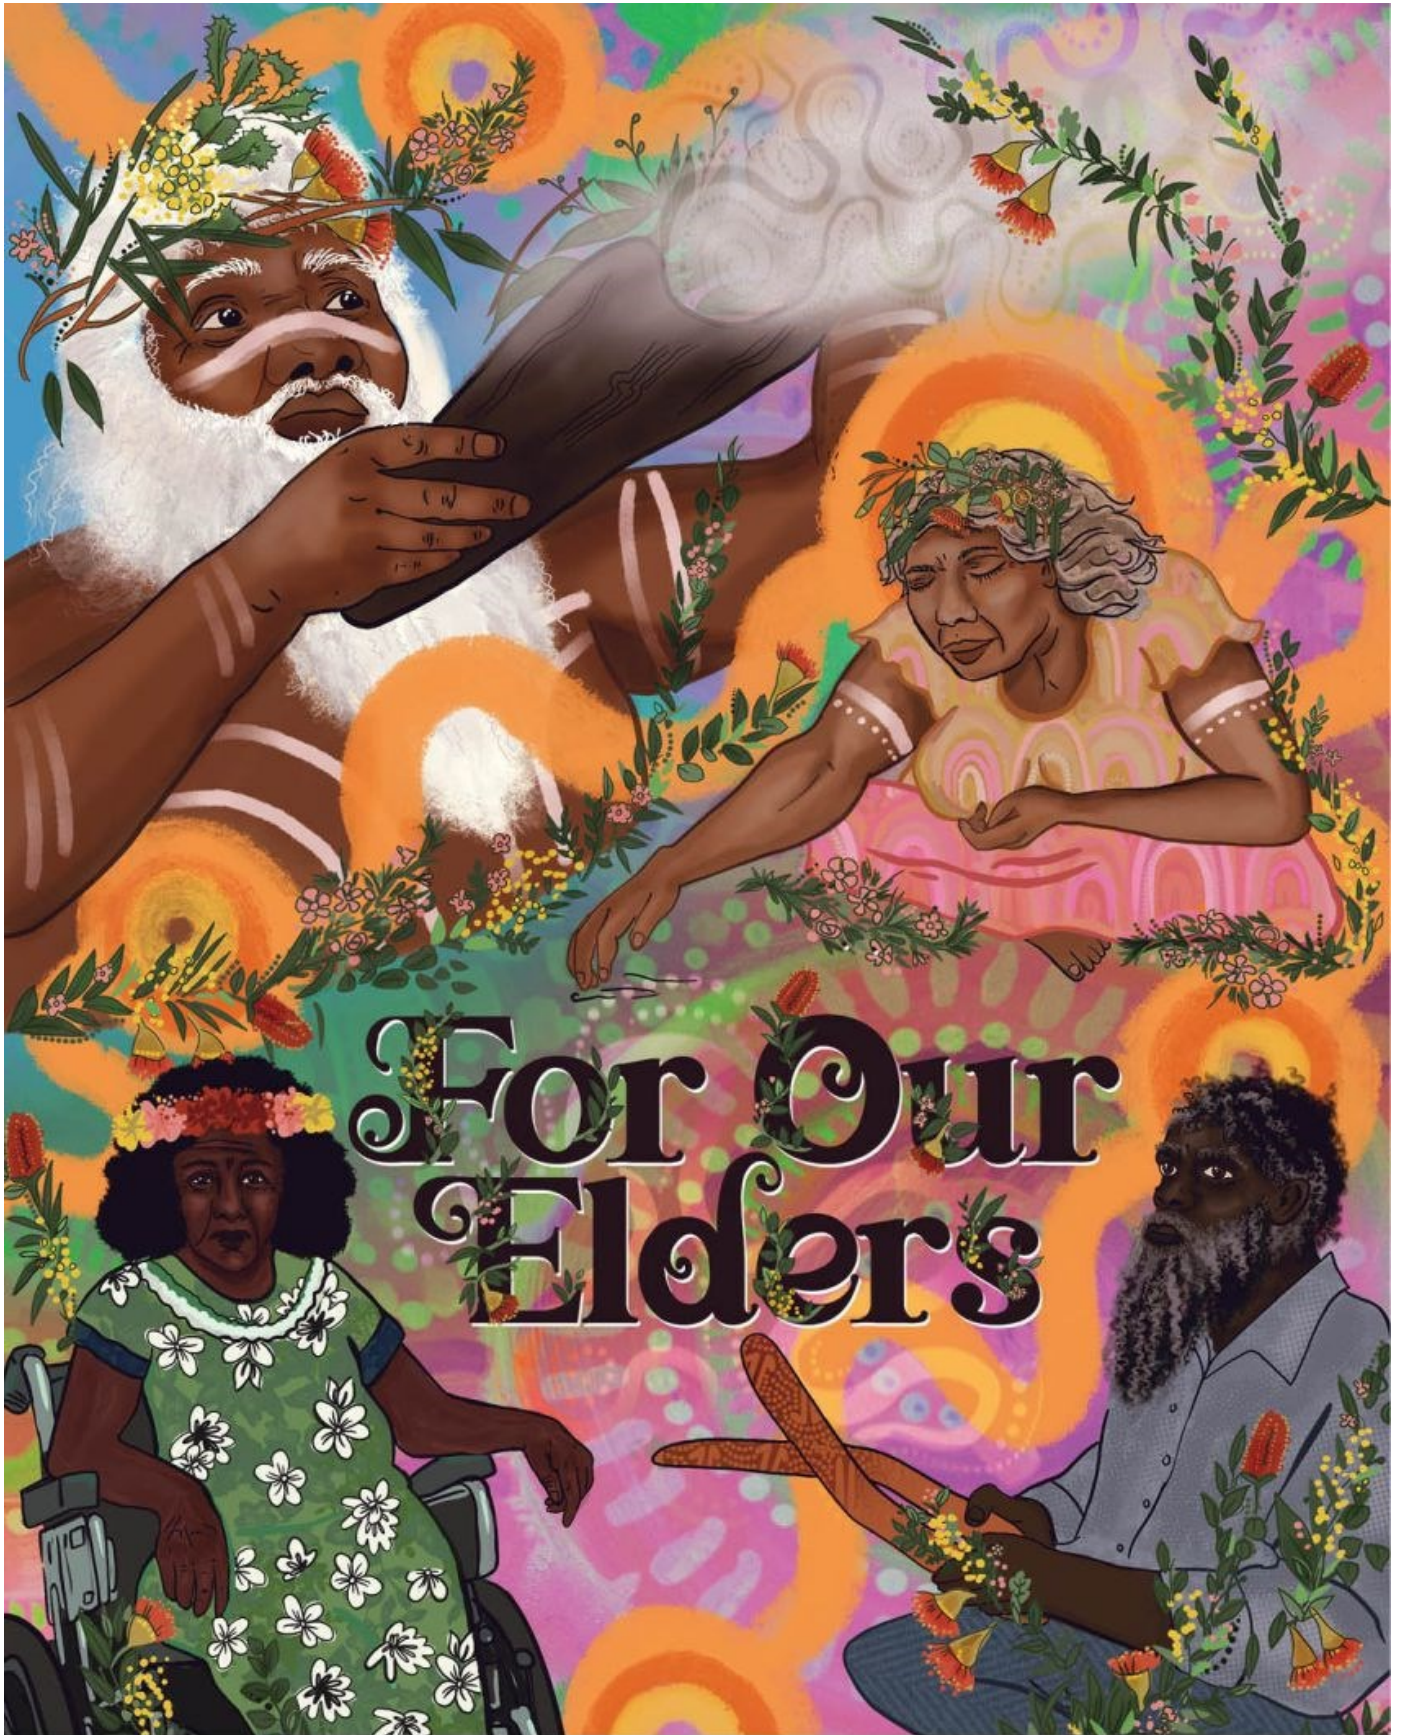

"I was a stranger and you welcomed me into your home" (Matthew 25:35)

Every evening, I walk my two dogs across Grenfell Street and into the Parklands towards the centre of Adelaide. By 5pm, it is almost dark and inevitably freezing. One of the first things I see every evening is the increasing number of tents in the middle of the Parklands and I am forced to reflect on how these people are surviving the winter as it gets colder by the day. These tents are some people's permanent accommodation. As the cost-of-living crisis increasingly affects all of us, we are still challenged to consider those in our immediate vicinity who are doing it extremely tough

For the last five weeks of this term, our school community has been collecting non-perishable items for the St Vincent de Paul Winter Appeal. While families in our community are facing many personal challenges of their own, the generosity of the Rosary Community never ceases to amaze. I collected all of the baskets from classrooms over the course of Monday and Tuesday, in readiness for the volunteers from Vinnies to collect from our school on Thursday. The back breaking work in lifting the baskets was the clearest indicator of just how much all of our families have contributed. On behalf of Vinnies, I thank you for your wonderful generosity.

My colleagues at Vinnies are deeply appreciative of our response to the Winter Appeal, as their stocks are now running very low, and our contributions will allow them to respond to a great deal of need in our local community.

NAIDOC Week

2-9 JULY 2023

#NAIDOC2023 #ForOurElders

 @naidocweek  @naidocweek  facebook.com/NAIDOC

For Our Elders, Bobbi Lockyer

Where there is knowledge there are our Elders. Our Elders paved the pathways for us, taught us our knowledge, our history, they passed down their art, stories and wisdom. Our Elders are the foundation of our communities and role models for our children. With this poster I wanted to showcase how important our Elders are in passing down traditions and culture to our children and future.

Aboriginal Flag designed by Mr Harold Thomas. Torres Strait Islander Flag reproduced by kind permission of the Torres Strait Island Regional Council, designed by the late Mr Bernard Namok.

naidoc.org.au

NAIDOC Week is an Australian observance lasting from the first Sunday in July until the following Sunday (July 2-July 9 2023). The acronym NAIDOC stands for National Aboriginals and Islanders Day Observance Committee. The 2023 NAIDOC Week theme is For Our Elders Across every generation, Elders have played, and continue to play, an important role and hold a prominent place in communities and families.

At every daily prayer gathering at Rosary School, at every assembly and at every Mass and liturgy, we commence with an Acknowledgement of Country. In doing this as members of a Catholic community, we are committing ourselves to true reconciliation with Aboriginal and Torres Strait Islander peoples and to helping to create a nation where Aboriginal and Torres Strait Islander children will have the same life chances and choices as non-Indigenous children, and the length and quality of a person's life will not be determined by their racial background.

The gold coins contributed by all students for our Casual Dress Day on Friday will be donated to Aboriginal Catholic Ministry Adelaide. This centre is a community-based organisation that works to improve the lives of those in need by offering programs that are designed to promote self-esteem and healing. In addition to many other programs, they work in conjunction with Vinnies to ensure that toiletry bags are available to those people that have an unexpected stay in hospital. Bags for women, men and children are produced and each bag includes items that are of specific need to the user. Our donation will be put to very good use.

Thank you

Stephen Campion /APRIM

100th Day Poem

by Rachel Lukacska

We've been learning for a while

In fact, 100 days!

We can spell, read, and write

We can count in many ways.

We've had fun and made good friends.

But it isn't over yet.

Let's keep going, going, going

and see how smart we can get!

Yesterday, we celebrated "100 Days of School" in 2023! The 100th day of school is an important milestone because it roughly marks the halfway point for the academic school year. It is an opportunity for the students to reflect on what they have learned so far, and celebrate all of their hard work.

Some of our activities included:

- Dressing up as an 100 year old person
- Completing a 100 piece jigsaw puzzle
- Writing activities – “I’m 100 days brighter because...?” and “Things I’ve been told 100 times!”
- 100 Days Smarter headband
- 100 Days Brighter sunglasses
- A 100th day workout
- Mathematics “tens” game

ROC Student Responses:

I am 100 days smarter because...

- *I can read decodable readers - Elijah*
- *I know how to write my sounds – Summer*
- *I know how to play basketball – Nicholas*
- *I know how to write – Tiffany*
- *I know more stuff than I thought – Leon*
- *I know how to write digraphs – Lucy*
- *I can say the alphabet – Parker*
- *I can say my letters and numbers – Izaya*
- *I can read – Mateo*
- *I can do lots of things I didn’t know how to do – Aliyah*
- *I can read words – Leonardo*
- *I know how to skip now – Rosie*
- *I know how to write b and d – Nathaniel*
- *I can read by myself. I keep trying if I get it wrong – Mia*
- *I can ride my bike without training wheels – Hugo*
- *I know my abc and my numbers – Mila*
- *I know how to write all my letters – Joe*
- *I can write well – Imogen*
- *I know how to write teen numbers – Theo*
- *I can draw by myself – Celine*
- *I can write words – Reuben*
- *I have learnt really big numbers like six thousand and now I know how to follow a procedure and make a pizza - Stefan*

School Photo Day

Capturing School Moments

Have your child's memories captured forever.

Envelopes will be sent home on Friday July 28.

The envelope must be returned by the photo day, Tuesday August 1 with your preferred payment option.

- Don't seal envelopes inside each other - you can pay for all children in one envelope however each child needs to have their own envelope on photo day.
- Use the Shootkey on your envelope to order on line!
- Family envelopes are available at the front office upon request.
- Please enclose correct money as no change is given- cash, cheque and money orders only. Credit card payments can only be made online.

Please feel free to visit the MSP web site:

www.msp.com.au

Please remember that this year all children are required to wear their school sports uniform.

SACPSSA Netball Carnival

On Tuesday and Wednesday of this week, all students from Year 3 to Year 6 took part in the SACPSSA Netball Carnival at the Netball SA Stadium.

The carnival was organised by the South Australian Catholic Primary Schools Sports Association (SACPSSA). This event is designed to promote the sport of netball amongst primary students. As you can see below, we had an amazing time!

Nationally Consistent Collection of Data

Every year at the beginning of Term 3, all schools in Australia participate in the Nationally Consistent Collection of Data on School

Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the Disability Discrimination Act 1992 and the Disability Standards for Education 2005, in line with the NCCD guidelines (2019).

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- formally recognise the supports and adjustments provided to students with disability in schools
- consider how they can strengthen the support of students with disability in schools
- develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

If you have any questions about the NCCD, please contact the school.

School Stream App

Download our school app for free!

Why download the app?

-  Receive instant notifications for important news.
-  Easily register absentees and excursions.
-  Keep up to date with events and set reminders.

Download instructions:

1. Go to the App Store and download "School Stream" to your phone.
2. Open the app and type the school's name into the search bar to load the school's profile.
3. Make sure you agree to Push Notifications when prompted.

 [facebook.com/SchoolStream](https://www.facebook.com/SchoolStream)
twitter.com/SchoolStreamApp

Open the Google Play Store on your Android phone or tablet and search for School Steam.

- Tap the School Stream listing.
- Tap the INSTALL button.
- Tap the ACCEPT button.
- Wait for the app to install then tap the OPEN button.
- Start typing your school into the search bar then SELECT your school.
